Playground Equipment, Playground Design, Installation, Maintenance and Renovation

Instructions to Bidders

Each RFB specification identified in Section II: The Scope of Work and Specifications refers to the type and quality of products and services being bid. In the form below, enter your bid prices for those items indicated, the prices and/or discounts offered for providing all equipment, goods, services, supplies and related items. The prices you offer on these pages affirm that you have accepted the specifications to obtain, deliver and provide those goods and services requested. Each bidder is encouraged to offer their lowest and best prices for the complete product line(s) offered. When providing price lists and/or catalogs, state a list/retail/regular price, CES discount and the CES price.

Duplicate the individual forms to submit your bid. If additional clarification, price sheet(s) and/or catalog(s) pertaining to the bid being submitted are needed, include them behind Tab 6. Clearly indicate and identify the items involved and what you wish to communicate within your response.
