CES has received the following question regarding RFP 2010-001 either by mail, e-mail, or fax. Please accept the following as responses to the questions submitted.

Submitted by: Daniel. V. Rasmussen, Nortex Modular Space
Brian Schaefer, Sustainable Modular Management Inc.
Steve Adams, Wayne Rutherford General Contractor, Inc.

Question 1:

Can CES extend the RFP closing dated by one to three weeks due to the amount of information required for Categories that deal with buildings?

Response 1:

CES has reviewed the requests submitted and has determined that it would be in the best interest of CES and its members to extend the RFP closing date to give potential proposers more time to provide a quality proposal. CES will be changing the RFP close date to Friday, February 5, 2010 at 1:30 p.m. MST at CES offices located at 4216 Balloon Park Rd NE, Albuquerque, NM 87109.
