Wednesday, August 26, 2026

8:30 to 11:30 AM or 12:00 - 3:00 PM

Presented by Kate Morris, MEd

Gifted TAP Consultant

This training equips educators with practical tools to manage gifted caseloads effectively, navigate continuum-of-service options across grades K-12. Educators will be equipped with practical tools to manage gifted caseloads effectively, navigate continuum-of-service options across grades K-12, and craft compliant, high-quality Gifted Individualized Education Plans (GIEPs). Participants will leave with clear frameworks to streamline administrative and teacher duties while designing meaningful, personalized learning pathways for advanced learners.

What Attendees Will Learn:

- Efficient Case Management
- Continuum of K-12 Programming Options
- Defensible & Purposeful GIEP Writing
- Collaboration & Progress Monitoring

This training is applicable to general education, special education, and gifted education teachers, coaches, and/or administrators.

The PM session is the same as the AM session. A Survey will be posted in the zoom chat at the end of the presentation. You must complete the survey to receive a Certificate of Completion. You can join the PM session if you miss part of the AM session.
