Subject: CES Notice to Executive Committee Members
Attachments: March 31 2020 Executive Committee Meeting Agenda.pdf

Dear Executive Committee Member

President Haynes has instructed me to reach out to all of you concerning our next Executive Committee meeting. We will be conducting our next Executive Committee meeting virtually, using GoToMeeting as the platform. The meeting will be held on March 31, 2020, beginning at 10:00 a.m. The Executive Director and limited staff will participate from the CES offices. This location will be open to the public, with limitations, we will not be able to exceed 10 individuals in the meeting room. Individuals that wish to participate on the virtual platform will be provided instructions that will be posted on our CES website.

As per the guidance provided by the Attorney Generals office we will adhere to the following guidelines:

- Notice of the meeting must still comply with the mandates of OMA, and it should contain detailed information about how members of the public may attend and listen via telephone, live streaming, or other similar technologies---this should include such detail as relevant phone numbers, web addresses, etc.;
- While provided by alternative means, the public must have some form of access to the meeting to substitute for the access it would during any normally scheduled public meeting subject to OMA;
- Where possible, videoconference is the best alternative method of holding meetings;
- At the start of the meeting, the chairperson should announce the names of those members of the public entity participating remotely;
- All members of the public entity participating remotely must identify themselves whenever they speak and must be clearly audible to the other members of the public entity and to the public;
- The chairperson or person leading the meeting should suspend discussion if the audio or video is interrupted;
- All votes of the public entity should be by roll call vote;
- The public entity should produce and maintain a recording of the open session of the meeting.

We are attaching the agenda packet for your review prior to the meeting. Please take time to review the information prior to the meeting, prepare any questions you may have in advance of the meeting.

Please call or email David Chavez with any questions you may have concerning the meeting.
