

Dear CES Valued Member,

We continue to take the Coronavirus (COVID-19) outbreak very seriously and are closely monitoring the situation and taking the appropriate steps to ensure the safety and welfare of CES employees, members, procurement partners, and participating entities.

We continue to keep our doors open and are fully operational.

CES has plans in place to that allow us to maintain our operations and continue to serve our customers. Currently, we are expecting no disruption to our business operations.

The safety and welfare of our employees, members, and procurement partners is important.

We have implemented several precautions to limit exposure to the COVID-19 virus. Meetings, to the extent possible, are being conducted by telephone or video conferencing. We are providing remote work solutions for some of our staff and continue to reinforce social distancing and safe behavior in every environment.

Our CES team is readily accessible by phone and email providing our customers with the level of service that you have grown accustomed to receiving.

Respectfully,

David Chavez,
Executive Director
Cooperative Educational Services
