

REGIONAL MEETING SCHEDULE

CES Construction Contracting Opportunities In your Area

For Small Construction Contractors and General Construction Contractors

CES will be conducting a Regional Meeting in your area for local contractors that may be interested in submitting a proposal for consideration of award of a CES open-end contract to perform work for school districts, charter schools, universities, colleges, cities and counties in your area. You will be informed about CES, the Request for Proposal process and requirements, and contracting opportunities. We are available to address all your questions and concerns.

- The morning session is for small contractors that provide General Maintenance, Groundskeeping, and MEP services.
- The afternoon session is for the General Contractor, Mechanical/Electrical/Plumbing, Roofing, Landscaping, Fencing, Painting & Stucco, and Paving Contractors to learn about CES and Job Order Contracting for Construction.

Please visit the CES website at www.ces.org to learn more about Cooperative Educational Services
