

## **Writing Functional Behavior Assessments (FBA) & Behavior Intervention Plans (BIP)**

Live Virtual full-Day Webinar

**Monday, September 28th from 8:30-3:00 PM**

Presenter: David D'Antonio, M.A.  
Technical Assistance Program (TAP) Consultant

This full day workshop will cover important concepts in writing effective FBA's and BIP's including:

- Identifying the target behavior, collecting & analyzing data and hypothesizing function
- Strategies to prevent the problem behavior, teaching replacement behaviors & the use of positive reinforcement & negative consequences

Using a provided case study & the FBA & BIP forms, participants in small groups will design an appropriate FBA & BIP. Be prepared to work!

**Complimentary!**
