Avoiding Power Struggles:
Prevention & Intervention Techniques
Presented by David D' Antonio

Monday, September 24th
All Day, 8:15-3:45

This workshop will provide an understanding of behavioral approaches to prevent & intervene on problem behaviors in the classroom. Topics to include:

- The importance of clarity, consistency reinforcement & positive teacher interactions in supporting students' skills acquisition & on task performance
- A systems approach in designing behavior interventions for students who continue to exhibit maladaptive behaviors despite appropriate preventative strategies in place
- Early identification of problem behaviors & strategies for appropriate intervention
- Techniques to handle non-compliance, unsafe behaviors & interventions for after the confrontation

Due to limited seating, if you pre-register & cannot attend, PLEASE notify Loretta Garcia via email in advance, lgarcia@ces.org
