# **Leadership Conference 2021**

CES welcomes you to the 2021 Leadership Academy. This year's conference theme is "Celebrating Rich Heritage and Education". We're excited to offer you nine practitioner-based breakout sessions provided by New Mexico leaders. We will also have two general sessions, one addressing "Literacy for the World of Work" during the opening session on Monday, October 18th. In this session you will discover how districts are achieving literacy growth five times greater than expected growth. Come learn from Dr. David Miyashiro and Ed Hidalgo how they have transformed their district using career related learning starting from primary school!

**Oct 18, 8:00 a.m.  
to Oct 19, noon**
