

## Complimentary Professional Development for Educators Technical Assistance Program (TAP)

**LIVE-IN PERSON COMPLIMENTARY PROFESSIONAL DEVELOPMENT WORKSHOP AT CES**

10601 Research Rd SE., Albuquerque, NM 87123

OR

**LIVE VIRTUAL COMPLIMENTARY PROFESSIONAL DEVELOPMENT WORKSHOP VIA  ZOOM**

### Data Collection for Behavior Solutions

Friday, September 16, 2022

Full Day Training,

8:30am-3:30 pm

**Rene Rohrer M.A.T. and Lydia Sandoval, M.A.**

As a result of active **in person** participation in this workshop, attendees will be able to understand the core components of observable behavior through the use of data collection tools. We will have the opportunity to practice and analyze our data together. Participants will come away with a better understanding of how Applied Behavior Analysis (ABA) can support students with behavioral challenges, as we:

- Review the Antecedent, Behavior, Consequences, the ABC's of behavior.
- Operationalize the definition of the behavior.
- Investigate common data collection tools
- Practice data collection with most common disruptive student scenarios.

**Participants will receive resources to document and monitor the progress of their students. A survey will be posted in the CHAT BOX at the beginning of each presentation. Survey MUST be completed to receive a "Certificate of Completion" issued the following week.**

**COMPLIMENTARY WORKSHOP!**
