To get a complete understanding of the FBA & BIP process, you must sign up for the session on Behavior Intervention Plans scheduled for **Wednesday, September 20<sup>th</sup>**. This virtual workshop will cover important concepts in writing effective FBAs for any environment. We will discuss the rationale for using a functional behavior assessment and how and when to determine when one is needed. Topics include:

- ✚ Identifying and defining the problem behavior
- ✚ Collecting and analyzing data
- ✚ Hypothesizing function
- ✚ Differentiating between a skill and performance deficit

There will be activities presented to practice the skills discussed in this training.

A Survey will be posted in the chat at the end of the presentation. You must complete the survey to receive a Certificate of Completion. You can join the PM session if you miss part of the AM
