LIVE VIRTUAL COMPLIMENTARY PROFESSIONAL DEVELOPMENT WORKSHOP VIA  ZOOM

“Attention !!” - Understanding Attention and How It Affects Learning and Behavior

Wednesday - October 4, 2023

8:30-11:30 or 12:00-3:00

Presenter: Barbara Piper, M.A. / TAP Consultant

What REALLY is required of a student when needing to pay attention in class? More than we often realize! Some students attend in an expected way. Other students exhibit behaviors that are referred to as inattentive, distracted, daydreaming, or even as attention deficit disorders. This training will explore the following :

- ✚ Neurology of attention
- ✚ Diagnosed types of attention deficit disorders (AD/HD)
- ✚ Attention as a system of controls.
- ✚ STRATEGIES, STRATEGIES, and more STRATEGIES to support students exhibiting attention issues.
- ✚ Professional resources to support classroom instruction.

Students exhibit attention issues in all aspects of school life. ALL school staff are invited to participate and benefit from the content of this training.

A Survey will be posted in the chat at the end of the presentation. You must complete the survey to receive a Certificate of Completion. You can join the PM session is you miss part of the AM session.
