Creating Supportive Environments for Behavioral Health

Part 1: Structuring the Classroom

Tuesday, October 10, 2023

8:30-11:30 or 12:00-3:00

Presented by David D'Antonio, M.A.

TAP Consultant

For a more complete understanding of how to support students' behavioral health, please sign up for Part 2: Teaching Behaviors and Responding to Needs on November 1st.

In part one of this series, we will focus on structuring classroom and school environments to support all students' social, emotional behavioral and academic wellbeing. A well-structured environment is key in helping students feel safe, secure, and ready to learn. Topics include:

-  Providing a clear, consistent, and positive classroom environment
-  Strengthening positive staff – student interactions
-  Planning for students in need of extra support
-  Seeking resources for additional assistance

A Survey will be posted in the chat at the end of the presentation. You must complete the survey to receive a Certificate of Completion. You can join the PM session if you miss part of the AM session.
