

Complimentary Professional Development for Educators Technical Assistance Program (TAP)

LIVE VIRTUAL COMPLIMENTARY PROFESSIONAL DEVELOPMENT WORKSHOP VIA  ZOOM

Co – Teaching :

Supporting ALL Students in the Inclusive Setting

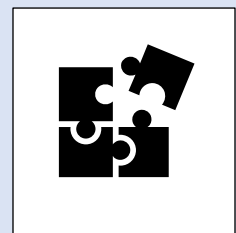

Wednesday, November 6, 2024

8:30 - 11:30 AM or 12:00 - 3:00 PM

Presenter: Barbara Piper, M.A. / TAP Consultant

Co-teaching is a service delivery option for providing specialized instruction to students with special needs, as well as general education students, in which two teachers share instructional responsibilities in the classroom. This training provides participants the opportunity to explore the “what,” the “why” (legal basis) and the “how” (logistics) of co-teaching in the inclusive setting. Training content includes:

- * The definition of co-teaching
- * What co-teaching is and is not
- * Challenges and benefits of co-teaching
- * The six approaches to co-teaching
- * Accommodating instruction
- * Collaboration skills to support co-teaching
- * Resources to support implementation of co-teaching

This training is Part 2 of a 4-part series on Inclusion and is applicable to all school staff interested and involved in developing inclusive education settings in elementary, middle and high schools.

The PM session is the same as the AM session. A Survey will be posted in the zoom chat at the end of the presentation. You must complete the survey to receive a Certificate of Completion. You can join the PM session if you miss part of the AM session.
