These last few weeks in December can be the most difficult for students and their teacher. The virtual training will provide strategies on how to transition to Winter Break and how to set the stage for a successful second semester. Topics include:

- ✚ Designing positive supports for a smooth transition to break
- ✚ Supporting individual students when behaviors escalate
- ✚ Considerations for a positive beginning in the new year
- ✚ Techniques for you to return rested, relaxed and ready

The PM session is the same as the AM session. A Survey will be posted in the zoom chat at the end of the presentation. You must complete the survey to receive a Certificate of Completion. You can join the PM session if you miss part of the AM session.
