

Complimentary Professional Development for Educators Technical Assistance Program (TAP)

LIVE VIRTUAL COMPLIMENTARY PROFESSIONAL DEVELOPMENT WORKSHOP VIA  ZOOM

Guiding Principles for Understanding Student Behavior

Wednesday, December 4, 2024

8:30-11:30 or 12:00-3:00

Barbara Piper, M.A.

TAP Consultant

*“ Expected student behavior...
Unexpected student behavior...
Welcome to a day at school !! “*

This training presents 20 guiding principles for understanding student behavior that affect student-peer interaction, student-teacher interaction, academic performance, social behaviors, and *everything* that goes on in the school setting.

Understanding these principles can support problem solving, instructional planning, and overall student success in school. Participants will have an opportunity to reflect on how they implement or might implement these principles in their own teaching or professional roles with students.

The training is pertinent to general education teachers, special education teachers, support staff, educational assistants and administrators at all levels.

The PM session is the same as the AM session. A Survey will be posted in the zoom chat at the end of the presentation. You must complete the survey to receive a Certificate of Completion. You can join the PM session if you miss part of the AM session.
