Utilizing a case study, participants will practice writing a compliant and effective IEP through collaborative activities. Topics include:

- ✚ Review best practices for researching and developing a new Gifted IEP
- ✚ Discuss the required members of an GIEP team
- ✚ Review IEP elements of PLEP, Goals, Services, LRE, and PWN
- ✚ Practice writing parts of the IEP while referencing a case study.

The PM session is the same as the AM session. A Survey will be posted in the zoom chat at the end of the presentation. You must complete the survey to receive a Certificate of Completion. You can join the PM session if you miss part of the AM session.
