

Complimentary Professional Development for Educators Technical Assistance Program (TAP)

LIVE VIRTUAL COMPLIMENTARY PROFESSIONAL DEVELOPMENT WORKSHOP VIA  ZOOM

Skills & Strategies for Positive Learning Environments & Meaningful Student Engagement

Tuesday, April 29, 2025

8:30-11:30 or 12:00-3:00

Presented by Chelsea Maher, M.Ed., TAP Consultant

This training is designed for special educators working with students across *all* age levels who want to learn strategies to create and maintain a positive learning environment in their classroom and build skills to meaningfully engage their students! The training content is applicable to working with students of *all* ability levels, with an emphasis on students with moderate to severe disabilities. Educators will learn a variety of skills and strategies, focusing on ways to: design your daily schedule to increase student engagement and decrease challenging behaviors, understand the principles and basic applications of reinforcement, how to utilize discrete trial training as an instructional strategy to have a high levels of student engagement, and learn about methods to build and maintain a positive instructional rapport between instructor and student.

The PM session is the same as the AM session. A Survey will be posted in the zoom chat at the end of the presentation. You must complete the survey to receive a Certificate of Completion. You can join the PM session if you miss part of the AM session.
