

CEIS+
LEAP

Topics Covered

De-escalation

We will cover some basic tenets of behavior, relationship building, de-escalation, and crisis prevention.

Collaboration & Communication

Teachers will participate in discussions around common scenarios and the practices that foster a cohesive team of adults working together to support student needs. We will address strategies for working with educational assistants, ancillary staff, and families.

Evidence-Based Practices

This training will provide an overview in high leverage EBP, with a focus on antecedent strategies that support management of an intensive needs classroom.

LEAP Special Education Summer Training

We are offering a professional development opportunity for **LEAP teachers** that will be teaching in an **intensive needs special education self-contained classroom** in the 2026-2027 school year.

At LEAP, we recognize the possible need for additional support so that our teachers are prepared for the varied demands of an intensive needs setting.

The **virtual** training will be held on **Saturday, August 22nd, from 10:00am to 2:00pm.**

Please use the QR code below to **register in advance.**
